

Cerfa-Kleen® 5390

Non-nitrited spray cleaner

DESCRIPTION

Cerfa-Kleen 5390 is a non-nitrited, spray cleaner designed to offer short-term rust protection and to split quench oils from solution.

Cerfa-Kleen 5390 presents no barrier to subsequent coating or welding.

Cerfa-Kleen 5390 has proven to be an excellent alternative to the use of solvent emulsion cleaners and organic synthetics. It works very well in barrel and vibratory cleaning, and may be used in all stages of multi-stage washers. The low organic formula provides for excellent waste treatability.

FEATURES / BENEFITS

- Economical and low neat in use cost
- Waste treatable and reduced BOD's, COD's and FOG's
- Biostatic and reduces or eliminates biocide additions
- Excellent bath life and splits oil from solution
- Excellent corrosion protection as well as in process rust protection on washed parts
- Cleanability and lower sediment/dirt counts in milligrams than typical organic cleaners
- Versatile and replaces solvent emulsions, organic synthetics, and silicate cleaners
